Please find below and/or attached an Office communication concerning the above identified application.

Commissioner of Patents and Trademarks

The reply filed on 06-11-01 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): The amendment filed on 06-11-01 cannot be entered because it does not use the proper format. Specifically, the marked up copy does not reflect all the changes made by the amendment and the marked up copy of the claims does not agree with the clean copy of the submitted claims. For example, in the last line of claim 1, the marked up copy of the claims does not reflect the deletion of "c)" at the beginning of the line. Further, the marked up copy of claim 1 indicates that "b)" was inserted at the beginning of line 5 of the claim, however "b)" was already present in claim 1 as originally filed and in line 11 of the marked up copy of claim 1 the word "a" is indicated as inserted before the word "part", however, in the clean version of claim 1 the word "a" is missing before the word "part" in the corresponding line of the claim. Applicant should resubmit this amendment and verify that the original claims, the marked up version and the clean version are in agreement. In reply to the letter mailed 05-18-01, in response to amendments filed 03-05-01, which points out the issues stated above, Applicant submitted essentially the identical response to that filed on 03-05-01. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
